This deficiency the Hongkong and Shanghe

Banking Company will supply, and will in fact assume the same position with relation to this Colony as the Presidency Banks in India, or the, Banks of Australia in their respective localities.

The Establishment of a Mint in Hongkong providing an adequate supply of proper currency, will render a local Banking medium assential to carry out its operations, and the almost certain disappearance of the existing Comprederic system (so far as money is concerned) will also ensur Banks becoming in course of time the exclusive medium for the transaction of the monetary operations connected with trade. For the anticipated success of this enterprise there are therefore simple grounds, and the great prosperity which has attended the working of other local associations in China clearly shows that the largest profits are obtained by those Public Companies which possess an interested local body of Proprietors or Shareholders whose support naturally forms a chief element of remu The Bank will commence operations simultaneously in Hongkong and Shanghai and as the im-

portance of its business at the latter place must he very great, it is intended to establish a local Board of Directors there for more effectually meeting the work.
